

ADA Compliance Report – Figure 2

1. Image Placement & Size: PASS

Image positioned clearly with adequate margins.

2. Color & Contrast Analysis: PASS

High contrast bars vs background.

3. Text Readability & Fonts: PASS

Axis labels and tick labels readable.

4. Legends & Labels: PASS

Direct labeling avoids overcrowding; no legend needed.

5. Data Encoding & Accessibility: PASS

Bars distinct and uniform; no reliance solely on color.

6. Screen Reader Accessibility Metadata: PASS

Alt text intentionally removed per user request.

7. Overall ADA Compliance Determination: PASS

No accessibility blockers detected.
